---

**Objective:** Hardworking multi-discipline professional with 6+ years' experience in communications, logistics and leadership, along with excellent technical skills. I have experience and degrees in the subjects listed, and I am currently looking for a leadership position with Amazon.

**Skills:** Excellent written and verbal communication skills, experienced team leader, proficiency with common office computer programs, experienced writing in AP style, ready and willing to learn as needed.

**Experience:** **Amazon** Deltona, FL (MCO2)  
Fulfillment center associate December 2020 – March 2021

XL fulfillment center associate Ocala, FL (TPA6)  
Learning ambassador November 2021 – present

Worked in two state-of-the-art fulfillment centers for Amazon, performing tasks as needed on the outbound ship dock while working with a variety of technical equipment. I was selected as a learning ambassador at TPA6.

**The West Volusia Beacon** DeLand, FL  
News editor, web manager May 2015 – December 2020

Managed a team of five-to-six staff writers and several freelancers. Made sure quality content was submitted by deadline time for a twice-weekly newspaper. Reported on a wide variety of subjects, including several local governments. Helped deploy and maintain new website. Engaged with readers through social media. Assisted coworkers with technical issues fairly frequently. Made pages using Adobe InDesign and Adobe Photoshop.

**The Daytona Beach News-Journal** Daytona Beach, FL  
Staff writer September 2012 – March 2015

Covered governmental affairs and community events in DeLand, FL and other locations throughout a two-county area as necessary.

**The Florida Times-Union** Jacksonville, FL  
Editorial intern/Contributing writer January 2012 to August 2012

Reported on a wide variety of subjects in northeast Florida and southeast Georgia as an intern. Later (From April 2012 on) became a freelance contributing writer.

**Education:** Associate of Science in Computer Information Technology  
Daytona State College, Daytona Beach, FL  
May 2018

Bachelor of Science in Communications  
University of North Florida, Jacksonville, FL  
April 2012

Associate of Arts in Political Science  
Santa Fe College, Gainesville, FL  
April 2010
